Dated 22nd March 1918

The undermentioned bye laws framed by the Nanjangud Municipal Council and sanctioned in Government Order No 422—Mi 162-16 8, dated 20th July 1907 are hereby published for general information —

Bye-laws re *manufacture, preparation and sale of aerated waters framed under Section 48 (1) (c) of the Mysore Municipal Regulation of 1916*

I No place shall be used for the manufacture or preparation for sale aerated waters unless approved by the Vice President or Medical Officer for the purpose

II All aerated water factories shall satisfy the following conditions —

(*a*) If the water be filtered, the filtering vessels and materials shall be sterilized at such times and in such manner as the Vice President or Medical Officer may direct

(*b*) All water to be used for washing bottles shall be stored in closed iron vessels and be treated before use with permanganate of potassium in such manner as the Vice President or Medical Officer may direct

(*c*) The room in which aerated waters are manufactured shall be properly roofed and kept clean and in good repair The walls shall be plastered with mortar and shall be lime washed at least once in three months the floor shall be flagged, tiled or cemented so as to be impervious to water and shall be properly drained

(*d*) The water used for the manufacture of aerated waters shall be pure and shall not be carried in massacks or in any other vessels not approved by the Vice-President

(*e*) Carts employed for the carriage of water shall be kept on the premises, shall have the designation of the factory painted on the barrel and shall at all times be kept in a state of scrupulous cleanliness

(*f*) The premises and all appliances used in the manufacture shall be open to inspection at all reasonable times by the President, Vice President Medical Officer or any other Municipal Officer

(*g*) No aerated waters of any kind shall be issued from the Municipality without having a proper label on each bottle giving full name and address of the manufacturer

It shall be lawful for the Medical Officer or any Municipal Sanitary Inspector to enter any place used for the manufacture or sale of aerated waters at any time when such place is open and to inspect or to take a sample of bottles of any kind of aerated waters which are there manufactured or kept for sale Such samples shall be forthwith forwarded to the Government Chemical Examiner and Bacteriologist and if a certificate from him states that such sample is unfit for human consumption it shall be evidence that it is so unfit until the contrary is proved

III Any infringement of any of the above bye laws shall render the proprietor or the person in charge of the place liable on conviction to a fine not exceeding Rs 20 and to a further fine not exceeding Rs 5 for every day after such conviction during which such infringement continues provided that the total amount of the fine shall not exceed Rs 200
